## Welcome

*We would like to welcome all of you to the WSC H&I Newsletter. We hope that what this simple newsletter contains can assist you in your recovery or H&I efforts throughout the Fellowship of Narcotics Anonymous.*

*Dear Reaching Out,*

Hi, as the current secretary of West CMC-NA, I would like to say how we came to be the more helping group we are today.

I started coming to N.A. about December of '85 because a friend of mine said there was free coffee and cookies. I went to the visiting room where they held the meetings and sat way in the back. That night after the meeting we went back to the dorm and got high.

The next week I went back to see what there was, and this good looking lady said she was a "drug addict." Well I sat there and she told the whole group of at least eighty-five men her story. When I got back that night I laid on my bunk and thought, "Why would a good looking lady want to tell a bunch
