FROM: Recover & Discover Newsletter Comm.

As we all know the WCNA 13 in New York will soon be here. The Convention Comm. has asked the N.J. Newsletter, Recover & Discover, to make some plans for a Newsletter & Periodical workshop at the Convention. We are now making some tentative plans and are asking members who are interested, to take part in this short but important workshop. We would like to get a good cross section of experiences, strenghts and hopes. If any member is interested, please write or call:

PS: If you are not going to be at the WCNA 13, send us some of your ideas. We are very new at this and need your experience. THANKS.

In Loving Service
