RE: Copyright of "N.A." book.

Dear Page:

After our conversation last night, I reviewed the copyright for TX. Most of it is filled out; however, due to lack of information, I have left some blanks. I enclose the original for you to complete and send to the U.S. copyright office.

I thought it best that I go over line-by-line with you stating what I have completed and what needs to be done by you. The numbers I use below reference the numbered lines on the form TX. Have the form I sent you beside this letter when you review it. I am also sending you a photocopy of a blank form TX so you can use it as a work sheet.

The enclosed form TX was completed as follows:

Line 1 - The title, N.A. "Narcotics Anonymous"  
- No previous or alternative titles  
- No publication as contribution

Line 2 - The author is anonymous  
- date of birth or nationality - not applicable  
- nature of authorship "new text"  
- "2 b" and "2 c" are not applicable

Line 3 - The work was completed in 1981. Its first publication was November \_\_\_\_\_, 1981. You need to fill in the right date in November. It was published in the United States of America.

Line 4 - Asks for the copyright claimant. After reviewing the instructions this should be "W.S.C. - Literature Sub-Committee of Narcotics Anonymous". The next part of this is entitled "TRANSFER" - if possible, state briefly how the Sub-Committee obtained ownership of the copyright.

*all rights retained Anonymous*

- Line 5 - "No" previous registration has been made in the copy-right office.
- Line 6 - "Not applicable"
- Line 7 - You must state on this line who printed the book and where it was printed.
- Line 8 - Not applicable
- Line 9 - First part "registration fee enclosed"  
"Correspondence" - You should list your name as chairman of the W.S.C. Literature Sub-Committee and give your address and telephone number.
- Line 10- "Certification" - I have marked "authorized agent of W.S.C. Literature Sub-Committee of Narcotics Anonymous".  
- Where it says "type or print name and date" - this means your name and date of this application.  
- The last line must be signed by you.

I apologize if I have seemed too elementary with this letter, however, I felt it best to be as detailed as I could. It is imperative that this be received and accepted as soon as possible.

I am also enclosing a copy of my letter to you dated March 4, last. This was to prepare us for completing Form TX. I thought you might want it for your files.

Upon review and completion of Form TX, if I can be of further help, please advise. Also, once you have the form completed to be sent in to the copyright office, send a copy to me for my files.

Please keep me informed as to further development.

Recoveringly yours,

R. Robert K.
