

No matter what happens, A.S.C. will go on.

As far as unity is concerned, A.S.C. as it is prior to H.A.N.A.'s decision, we do need support. ~~It~~ There are too many committees going on now with too few G.S.R.'s supporting them. With H.A.N.A.'s "pulling-out" will ~~defeat~~ make it harder for the committees to function.

The Dunmore Group will and needs to be a part of a whole in as far as we really can & survive as an area alone. In time, maybe, but not now. See what happens after WCNA-12.
