

GENERAL SERVICE OFFICE REPORT

It was determined, at the meeting of the Board of Trustees, that we should have a paid office manager, plus as many volunteers as possible to answer phones---do 12 step work, and clerical work such as typing and answering letters. This was approved and voted upon by the GSO Representatives, at the 1st Narcotics Anonymous Convention, November 6, 1971.

As of January 1, 1972 Narcotics Anonymous World Service Office, will be located at: 2335 Crenshaw Blvd., L.A. Calif. 90016. This facility at Crenshaw can also be used as a meeting place where rent will be charged to help defray the cost of operation.

It is our sincere hope that every group will help support your World Service Office in order to insure its up-keep and maintain an office manager to service all areas. Also, we would like to encourage individual pledges, from all areas.

As of this date we have approximately \$500. in the bank. Half of this amount is the result of the Convention and represents the balance left over after all bills were paid. We have pledges for \$300. a month, of which \$150. has been paid. We need approximately \$600. per month to operate; the Office Manager's salary is \$350. plus the business phone is approximately \$75. a month, plus rent and equipment.

If we could get 100 people to pledge \$6.00 per month, or 200 people to pledge \$3.00 per month, we could make it. We need your support to survive. All group representatives should impress upon all members the needs of our fellowship. Their support is greatly essential for survival on a national level.
