

# HISTORY OF SPIRITUAL FOUNDATION GROUP OF NA

The Spiritual Foundation Group of NA started because Danny M. moved to Huntingdon Valley, PA. in September of 2005. He knew that there was AA meetings at the Church in Bryn Athyn. He made many phone calls to a friends mom who's home group for AA was there. Finally she called back and gave him another persons phone number. Danny called someone else who referred him to Buddy S. Danny's vision was to have the meeting in the actual Cathedral (church) itself. He met Buddy in the parking lot out front across from the College. Buddy said follow me, we passed the Cathedral and Danny was thinking NO I want it in the Church. Buddy drove to the bottom of the Brown Roof Mansion and opened the door and asked if this would do? Danny instantly feel in love with the room. He later found out it was nicknamed The Stone Room. The room was used for a Speak Easy and to take Blue Prints off.

The group was named by Vinny R., Danny M. explained what the room looked like and Vinny said "Spiritual Foundation Group" On December 22, 2005 the first meeting was held Danny chaired and Richie Y. spoke for his 2 year anniversary.
