

The Good Morning group meets Saturday mornings at 9 a.m. At 37 North Whitehorse Rd. in Phoenixville. We opened our doors September 1, 2007. We have been a basic text study meeting since. We formed our meeting because we felt a Saturday morning meeting was needed. Initially we struggled with minimal attendance through the first five years. We stayed vigilant and kept the doors open and soon after we started to thrive as a group. Now we consistently have 20 to 30 addicts and 15 home group members. Several home group members arrive 2 to 3 hours before the meeting to set up and fellowship. During the cold months, we are fortunate to enjoy a warm fire in the fireplace. we have members come from far away to be with us. Nina swears this is the best N.A. meeting ever.
